As the characters are placed on the pedestal or any other part of the Clubhouse they say various phrases such as "Role Call" etc. depending on their positions. As the crazy crank is turned, the characters move up and down singing the "Hot Dog" song.

The hot air balloon can be moved back and forth with the crank. The red car comes out of the garage as the umbrella is pressed and the picnic table is popped up as the lever is pulled. All parts of the Clubhouse have any funny move involved with it.
